Contents

1 Objectives and methodology	1
2 Trends in domestic combined transport in Austria	3
2.1 Overview of combined transport market in Austria 2005	3
2.2 Analysis of current domestic combined transport in Austria	5
2.2.1 - Legal framework of combined transport in Austria.....	5
2.2.2 - Overview of domestic unaccompanied combined transport in Austria	7
2.2.3 - Container hinterland combined transport.....	8
2.2.4 - Continental combined transport.....	10
2.2.5 - Accompanied combined transport.....	14
2.3 Analysis and evaluation of development trends of domestic unaccompanied combined transport in Austria by 2015	17
2.3.1 - General impact factors.....	17
2.3.2 - Container hinterland combined transport.....	20
2.3.3 - Continental combined transport.....	23
2.4 Development scenario of combined transport in Austria: 2015.....	26
2.4.1 - Development scenario of domestic combined transport: 2015.....	26
2.4.2 - Development scenario of total combined transport: 2015	26
2.5 Impact of combined transport development on rail network capacity: 2015	28
2.5.1 - Capacity load of Austria's rail network by domestic combined transport	28
2.5.2 - Total capacity load of Austria's rail network	29
2.6 Impact of combined transport development on terminal capacity: 2015.....	31
2.6.1 - Handling capacity of combined rail/road terminals in Austria: 2005	31
2.6.2 - Required handling capacity of combined rail/road terminals in Austria: 2015	33
2.6.3 - Additional capacity enlargement need of combined rail/road terminals in Austria by 2015.....	34
3 Trends in domestic combined transport in Belgium	37
3.1 Overview of combined transport market in Belgium 2005	37
3.2 Analysis of current domestic combined transport in Belgium	38
3.2.1 - Domestic combined hinterland transport	38
3.2.2 - Domestic combined continental transport.....	43

3.3 Analysis and evaluation of development trends of domestic combined transport in Belgium by 2015	44
3.3.1 - Domestic combined hinterland transport	44
3.3.2 - Domestic combined continental transport.....	48
3.4 Development scenario of combined transport in Belgium: 2015.....	49
3.5 Impact of combined transport development on rail network capacity: 2015	50
3.6 Impact of combined transport development on terminal capacity: 2015.....	53
4 Trends in domestic transport in France.....	57
4.1 Overview of combined transport market in France 2005	57
4.2 Analysis of current domestic combined transport in France	60
4.2.1 - Domestic combined hinterland transport	60
4.2.2 - Domestic combined continental transport.....	65
4.3 Analysis and evaluation of development trends of domestic combined transport in France by 201568	
4.3.1 - Domestic combined hinterland transport	68
4.3.2 - Domestic combined continental transport.....	75
4.4 Development scenario of combined transport in France: 2015	80
4.5 Impact of combined transport development on rail network capacity: 2015	81
4.6 Impact of combined transport development on terminal capacity: 2015.....	84
5 Trends in domestic combined transport in Germany.....	89
5.1 Overview of combined transport market in Germany 2005.....	89
5.2 Analysis of current domestic combined transport in Germany.....	90
5.2.1 - Legal framework of combined transport in Germany	90
5.2.2 - Overview of domestic combined transport in Germany	91
5.2.3 - Container hinterland combined transport.....	92
5.2.4 - Conclusions	99
5.2.5 - Continental combined transport.....	101
5.2.6 - Conclusions	106
5.3 Analysis and evaluation of development trends of domestic combined transport in Germany by 2015.....	108
5.3.1 - Container hinterland combined transport.....	108
5.3.2 - Continental combined transport.....	118

5.4	Development scenario of combined transport in Germany: 2015.....	126
5.4.1	- Development scenario of domestic combined transport: 2015.....	126
5.4.2	- Development scenario of total combined transport: 2015	127
5.5	Impact of combined transport development on rail network capacity: 2015	128
5.5.1	- Capacity load of Germany's rail network by domestic combined transport	128
5.5.2	- Total capacity load of Germany's rail network.....	129
5.6	Impact of combined transport development on terminal capacity: 2015.....	134
5.6.1	- Handling capacity of combined rail/road terminals in Germany: 2005.....	134
5.6.2	- Required handling capacity of combined rail/road terminals in Germany by 2015	135
5.6.3	- Additional capacity enlargement need of combined rail/road terminals in Germany by 2015	136
6	Trends in domestic combined transport in Italy	139
6.1	Overview of combined transport market in Italy 2005.....	139
6.2	Analysis of current domestic combined transport in Italy	140
6.2.1	- Legal framework of combined transport in Italy	140
6.2.2	- Overview of domestic combined transport in Italy	142
6.2.3	- Container hinterland combined transport.....	143
6.2.4	- Continental combined transport.....	151
6.3	Analysis and evaluation of development trends of domestic combined transport in Italy by 2015.....	159
6.3.1	- Container hinterland combined transport.....	159
6.3.2	- Domestic continental combined transport.....	170
6.4	Development scenario of combined transport in Italy: 2015	179
6.4.1	- Development scenario of domestic combined transport: 2015.....	179
6.4.2	- Development scenario of total combined transport: 2015	180
6.5	Impact of combined transport development on rail network capacity: 2015	181
6.5.1	- Capacity load of Italy's rail network by domestic combined transport	181
6.5.2	- Total capacity load of Italy's rail network	183
6.6	Impact of combined transport development on terminal capacity: 2015.....	188
6.6.1	- Intermodal terminals in inland transport areas.....	188
6.6.2	- Seaport-related intermodal terminals.....	192

7 Trends in domestic combined transport in Switzerland	195
7.1 Overview of combined transport market in Switzerland 2005.....	195
7.2 Analysis of current domestic combined transport in Switzerland.....	197
7.2.1 - Domestic combined hinterland transport	197
7.2.2 - Domestic combined continental transport.....	197
7.3 Analysis and evaluation of development trends of domestic combined transport in Switzerland by 2015.....	199
7.3.1 - Domestic combined hinterland transport	199
7.3.2 - Domestic combined continental transport.....	200
7.4 Development scenario of combined transport in Switzerland: 2015.....	202
7.5 Impact of combined transport development on rail network capacity: 2015	203
7.6 Impact of combined transport development on terminal capacity: 2015.....	208
 8 Conclusions.....	 213
8.1 Evolution of domestic combined transport: 2005/2015	213
8.2 Main impact factors on evolution of domestic combined transport	217
8.3 Importance of 6 countries for domestic combined transport in Europe.....	219
8.4 Importance of domestic market for combined transport: 2005/2015.....	220
8.5 Impact of combined transport development on rail network capacity	223
8.6 Impact of combined transport development on terminal capacity.....	229
 List of Figures.....	 233
 Editorial note.....	 243
